Education

GL Bajaj Group of Institutions	**November 2020 – June 2024**
Bachelor of Technology in Computer Science Engineering	**Mathura, IN**
Dr. Maria Residential School	**April 2018 – March 2019**
12th Standard	**Agra, IN**
Sacred Heart Convent School	**April 2016 – March 2017**
10th Standard	**Obra, IN**

Projects

Shopkart 🔗

· Developed using the **MERN**, integrated with **Material-UI** for front-end and Cloudinary for seamless image management.

· Implemented secure user authentication and authorization using **JWT** which enabled users to register, login.

· Developed a fully functional shopping real-time cart allowing users to add, remove, and update items.

· Enabled administrators to add, update, or delete products.

Sociobook 🔗

· Developed a **social media application** using **MongoDB, Express.js, React.js, Node.js**.

· Implemented user authentication and authorization using **JSON Web Tokens** for session management.

· Utilized **Cloudinary** to optimize media delivery, enhancing application performance and user experience

· Developed core social media functionalities, including creating, reading, updating, and deleting posts.

Weather App 🔗

· Designed using **Reactjs**, **CSS** and took API from **open weather api**.

· Implemented weather data retrieval using API integration to ensure accurate and up-to-date information for users.

· Developed a user-friendly interface that prioritizes ease of use, smooth navigation, and clear communication.

Achievements

· Solved 430+ Coding questions on Geeksforgeeks.

· Solved 300+ Coding questions on Leetcode.

Coding Profiles

· Geeksforgeeks.

· Leetcode.

Technical Skills

Technical: DSA, DBMS, Java, OOPS

Web Development: HTML, CSS, JavaScript, Reactjs, MUI, Node.js, Express.js, MySQL, MongoDB
